**Early Release Day**  
**Friday, April 19**  
Students will dismiss at 12:35 pm

**80s Fitness Dress Up Day**  
**Friday, April 19**

## Updated CDC Guidance for COVID-19

On March 1, 2024, the Centers for Disease Control (CDC) released new guidance for COVID-19. When staff and students get sick with a respiratory virus, the updated CDC guidance recommends that they stay home and away from others. For staff and students with COVID-19 and influenza, treatment is available and can lessen symptoms and lower the risk of severe illness. The recommendations suggest returning to normal activities when, for at least 24 hours, symptoms are improving overall, and if a fever was present, it has been gone without use of a fever-reducing medication.

## SAVE THE DATE

for the next Donuts with the Principal @Chappell

**When: Monday, MAY 13**

**Where: The Library**

**Topics will include:**

- **Conceptual Boundary Changes**
- **Summer School**

## No Dogs Allowed

For the safety of all of our students and staff, dogs are not permitted on school grounds. This includes all grassy areas, blacktops, playgrounds and sidewalks. Thank you for understanding and your support in keeping our students safe!

The YMCA Before/After School Childcare program will be back at Chappell for the 2024-25 school year. You can register now to secure your child's spot for the 2024-25 school year. (Space is limited at each site and may fill quickly.) For more information visit [www.greenbayymca.org](http://www.greenbayymca.org) OR [click here](#) to view the flyer.

Students in grades 3-5 will be participating in the Forward Exam Assessment throughout the month of April. Here are a few things to keep in mind;

- Make sure your child gets a good night's rest.
- Remain positive. Help your child practice relaxation techniques to help remain calm during the test.
- Electronic devices such as cellphones or smartwatches are prohibited in the testing rooms.

## Reminders from the office:

### Parking/Traffic Concerns @ Chappell

We wanted to remind you of the parking guidelines as we've had some recent complaints.

**\*\*Student safety is greatly enhanced if all adults transporting students adhere to these traffic guidelines:**

1. Pull into parking spots on the street or in the church parking lot located across the street from the school. Do Not stop in the middle of the road and let your student walk across the road. This is extremely dangerous and causes more traffic.
2. Students must cross the street with an adult or use the crossing guards at the corner of Dousman/Fisk streets or Shawano/Fisk streets.
3. There is No Parking allowed on the school side during the day per the posted signs. The [City of Green Bay School Parking Division](#) enforces parking violations at schools and they frequently make rounds. It is preferred that you drop off and pick up on the school side of the street without parking for a prolonged period of time.
4. DO NOT PARK in the back staff parking lot. The lot is used for buses and daycare vans at the beginning and end of the day. Conflicts have occurred where passage is blocked to those vehicles and causes massive delays.
5. FRONT PARKING LOT: Parking is not allowed in the small parking lot that is located directly across from the school office. The lot is part of our neighbor's driveway and we want to be respectful to our neighbors.

By following these guidelines you will help us keep our students safe and traffic to a minimal.

Thank you!
