## Guidance Notes

A fun activity to do at home with your child is to have them “interview” you about what you used to think about school and careers growing up. Here are some questions for them to ask:

- What were your favorite school subjects?
- What did you like to do in your free time?
- What did you want to be when you were young?
- Did you follow the career path you dreamed about when you were young? Why or why not?
- Who helped you make your career decision?
- What are your favorite things about the work you do now?
- What do you like least about the work you do now?
- What skills did you learn in elementary school that you use in your work now?

## **Emergency Notifications - Stay Informed**

To ensure every parent has the most accurate contact information in an emergency situation, parents must keep contact information up-to-date in Infinite Campus. (If your phone number or address has changed, please contact the school secretary.) The District contracts with School Messenger for its parent notification system, which enables the District to send bulk emails, automated phone calls and text messages to parents, guardians and other adults that are identified as emergency contacts. The District only uses text messaging in limited circumstances such as emergency situations, school closures/delays, and bus accidents/delays.

### ***How to receive text messages***

To receive text messages, text “opt-in” or “subscribe” to 67587. If in the future you do not receive a text message when you believe you should have, please contact the Help Desk at [920-448-2148](tel:920-448-2148) to verify the District has the cell phone number in Infinite Campus.
